Reports for the 21st Century

Presenter: Rob Newton

VASSP and the VPA, along with Rob Newton are offering this new, morning workshop designed to engage you in a discussion about the powers of continuous reporting and how feedback helps schools engage parents in their child's learning.

The workshop is designed to assist principals, assistant principals and curriculum leaders to consider a less time consuming, more powerful, yet simpler reporting system that has the power to dramatically improve learning at your school.
